We put pizzazz into new product launches.

We add spice to banquets.

We subtract the boredom from sales conferences.

We multiply the fun and games at all kinds of other private and corporate events, too. Then we divide the profits among ourselves.

We've been doing all this around St Louis since 1991.

ABC, Inc. has been developing, leasing and selling properties since 1987.

In that time we've helped thousands of businesses, families and individuals move into premises perfectly suited to their needs.

When we sell properties, we do so only when they are completely finished to the satisfaction of both our clients and us; when we lease properties, we constantly monitor their condition and ensure the leasees are satisfied; when we manage properties on behalf of clients, we do so with the same care and effort we would if they were ours.

ABC, Inc. is committed to developing, leasing and managing quality properties at the right price. Development is not only our business, it's our pleasure.

Please take a moment to look around our web site. You'll learn about us, our staff and the services we offer. Then have a think about what ABC, Inc. can do for you. It

The browser's title bar reads "Microsoft Internet Explorer". Overlaid on the browser window is a "Table Options" dialog box. This dialog box contains several configuration options for a table: "Horizontal Alignment" is set to "Default"; "Width" is set to "100" with the unit "Percent" selected (checked); "Height" is set to "Default" with the unit "Percentage" selected (unchecked); "Background color" is set to "Default"; "Border On" is unchecked; "Cell Spacing" is set to an empty field with the unit "(in Pixels)"; and "Cell Padding" is set to an empty field with the unit "(in Pixels)". At the bottom of the screen, the Windows taskbar is visible, showing the "Start" button and several open applications: "WORLDFOX", "GroupWise - Mailbox", "Microsoft Word", "ClickThings.com", "ClickThings - Micro...", and a web browser window showing the same URL as the main browser window. The system clock in the bottom right corner indicates the time is 5:52 PM.

FIGURE 58

- Update the following image attributes:** A section with a "None" dropdown menu and the text "Align text to image:".
- Select one of the options below to link image:** A section with radio buttons for "None", "This web address:", "This local page:", and "This email address:". The "This local page:" option is selected, and a dropdown menu shows "About_Us".
- Resize image:** A section with a text input field containing "5915", a "70" dropdown menu, and the text "% (maximum size = 100%)".
- Replace image from the image library or choose an image from your PC:** A section with a "Browse..." button and a "File:" label.
- Advanced Text Rendering Attributes:** A section with a "Text:" input field, a "Colors" button, and a "Font Size & Type:" dropdown menu. The font size is set to "8" and the type is "Albertus Extra Bold Regular". There are also "Alignment & Offset:" dropdown menus for "Horizontal" and "Vertical" alignment, and "10" for offset.

The interface is cluttered with various icons and buttons, and the text is somewhat blurry. The browser's status bar at the bottom shows the Windows taskbar with various application icons and the system clock.
